

Privacy Policy

Introduction

This Privacy Policy is meant to help you understand what information we collect, why we collect it, and how you can update, manage, export, and delete your information.

The following Privacy Policy apply to your use of the fleetNET application located at and accessible via <http://portal.fleetnet.solutions>.

Data Controller and Owner

DUNAVNET DOO NOVI SAD, Antona Čehova 1, 21000 Novi Sad, info@dunavnet.eu.

System Logs and Maintenance

For operation and maintenance purposes, this App may collect files that record your personal information such as User name, User email, Vehicle type, Vehicle registration, Driver name, Customer name, Device location and Device location history (hereinafter: Personal Data).

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time. Please see the contact information at the beginning of this document.

The rights of Users

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

This App does not support “Do Not Track” requests. To determine whether any of the third party services it uses honor the “Do Not Track” requests, please read their privacy policies.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this App and can request that the Data Controller erase the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.

Definitions and legal references

Personal Data (or Data)

Any information regarding a natural person, a legal person, an institution or an association, which is, or can be, identified, even indirectly, by reference to any other information, including a personal identification number.

Usage Data

Information collected automatically from this App (or third party services employed in this App), which can include: the IP addresses or domain names of the computers utilized by the Users who use this App, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the App) and the details about the path followed within the App with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this App, which must coincide with or be authorized by the Data Subject, to whom the Personal Data refer.

Data Subject

The legal or natural person to whom the Personal Data refers to.

Data Processor (or Data Supervisor)

The natural person, legal person, public administration or any other body, association or organization authorized by the Data Controller to process the Personal Data in compliance with this privacy policy.

Data Controller (or Owner)

The natural person, legal person, public administration or any other body, association or organization with the right, also jointly with another Data Controller, to make decisions regarding the purposes, and the methods of processing of Personal Data and the means used, including the security measures concerning the operation and use of this App. The Data Controller, unless otherwise specified, is the Owner of this App.

This App

The software tool by which the Personal Data of the User is collected.
